

Health & Safety Policy

July 2020

□ □ □

YOUR HEALTH & SAFETY IS OUR PRIMARY CONCERN

Please review the CDC's "Watch For Symptoms" & return home if any of the following apply:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- Loss of taste or smell
- Congestion or runny nose
- Nausea or vomiting
- Sore throat
- Diarrhea

**FACE COVERINGS
MUST BE WORN
INSIDE AT ALL TIMES**

□ □ □

(Mask may need to be held in place during parts of service)

Upon your arrival, we 'll be taking your temperature — as well as our staff's upon their arrival — using a "No Touch" thermometer. If we feel as though you are unwell, we hold the right to choose not to begin or end the service as a safety precaution.

Please arrive **alone & on time**

We do not have a waiting area inside the salon at this time. If a client requires a parent/gaurdian or a companion for medical safety assistance we ask that they wait in their car or in one of the chairs located outside the salon.

In addition, **please do not arrive early** in order avoid overcrowding and ensure that social distancing is properly practiced. If your stylist is running late, we will contact you directly and let you know what time to arrive.

□ □ □

- Please limit number of belongings brought with you to salon
- Refreshments & reading materials currently not available
- Hangers in changing room not provided at this time

For your convenience, we now offer **Contactless Payment** where we can safely store your credit card info in your client profile. If you wish to utilize this feature, contact our front desk or notify us during check-out and let us know to add your credit card to your profile.
